Communication Power Determines Competitiveness

陳明怡 教授, M.Y. Chen, Professor,
Department of Marketing, National
Chung Hsing University

In this talk, the following content will be
presented.

15% of successful people rely on
professionalism, and 85% rely on
communication skills

No matter what job you are in the future,
communication skills will be an
indispensable competitiveness.

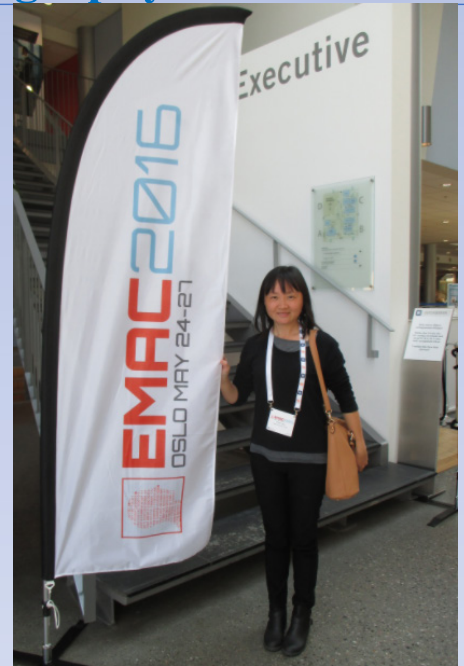

In this hour's speech, let everyone learn
the formula for successful communication.
